

Auditorium Design Row Spacing Determination

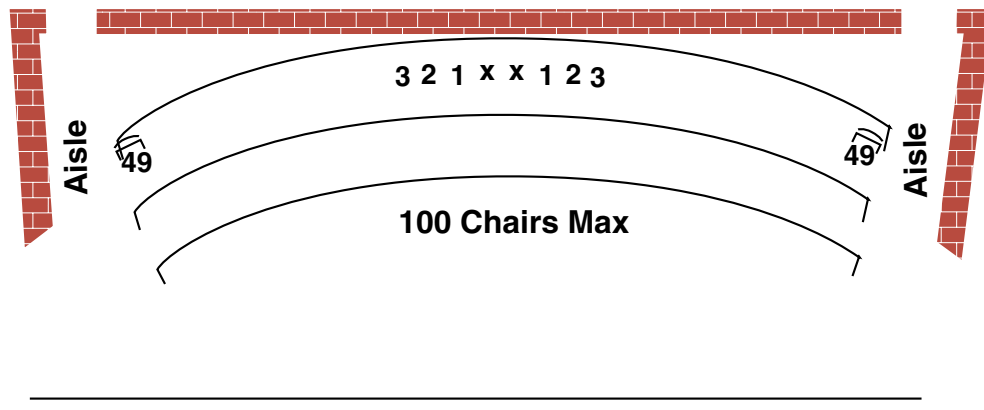

Former (historical) Continental Seating Rules

- Maximum 100 chairs per row - Maximum 49 to aisle.
- Exceptionally wide spacing between rows, according to specific regulations.
- Exit required at end of row to separate fire area, ratio of 1 exit for each 5 rows.

Former (historical) Conventional Seating Rules

- Maximum 14 chairs between legal aisles
- Maximum 7 chairs between aisle and a wall.

Continental Seating: Not more than 49 chairs from chair "X" to an aisle

Conventional Seating: Not more than 6 chairs from chair "X" to an aisle
